

March 2020

Dear Parent/Carer

We have had a number of parents today requesting childcare places. With the urgency of social distancing stepping up a level over the weekend, please be mindful as to whether childcare this week is a necessity for you and your family.

Our school is open to those who need emergency childcare as an absolute necessity. It has been requested by the government and the DFE that where possible all children should stay at home, therefore if you are a critical worker, you need to consider other options available before requesting school provision.

Home is the safest place for them to be in order to minimise their chance of infection. This will ensure that staff in schools are also protected so that we can continue to provide this service.

If you feel you no longer require support from school, please let us know via email on admin@stjohnrigby.org. We are trying to minimise the risks for all staff, pupils and parents.

Please see attached flow chart to support.

Stay safe.

Yours sincerely

Mrs M McGettigan
Headteacher
