

19th October 2018

Dear Parents/Carers

We have finished our first half term and we thank you all for your support in ensuring a smooth start to the academic year for your children. We would just like to remind you of the following:

Book change

Your child will have two library books to read every week (unless they are on a reading book, in which case they only have one). These are changed once a week, but not on a set day so they need to be kept in the book bag **all week**.

Coats

As it gets colder please ensure your child has the appropriate clothing to play outside – we go out in all weathers. Half term is a good time to help your child become independent in turning sleeves the right way and putting their coats on themselves.

Photographs

We are asking all children to bring in a photograph of a special celebration that they have attended or been part of - for example a Baptism, wedding, birthday, Christmas, First Holy Communion. We will be sharing these as part of our PSHE topic. Please send your photos in on **Monday 29th October**.

School dinners

Please book your child's school lunch option online through Scopay, your logging in details were given to you at the start of term - you can choose school dinner or a school packed lunch. We will ask your child which filling they would like each morning (ham, cheese or tuna. Please note there is no meat served on a Friday). If you do not book online your child will be unable to choose a sandwich option on the day.

We look forward to seeing you all after half term on **Monday 29th October**.

Yours faithfully
