

Interim Headteacher: Mrs Michele McGettigan BEd Hon

7th November 2018

Dear Parent/Carer

We have an exciting eBook reading programme for your child to use at home. All they need is access to a computer or tablet and a little help from you!

It is called Bug Club.

What is Bug Club?

- A reading programme to help teach reading
- Carefully graded eBooks for children to read online

Why are we using eBooks?

- Children can enjoy reading books onscreen and completing fun quiz questions found in the eBooks
- The quiz questions will help the children practise their reading skills
- The Foundation and KS1 eBooks are also audio-books, so children can enjoy hearing an expressive reading of the story

We are providing each child with their own login details to the website www.activelearnprimary.co.uk where they can read eBooks. These details will also be stuck in your child's reading record book.

Your child's login is _____

Their password is _____

School code is sjrl.

Please keep this safe.

- Your child will see eBooks on their homepage (KS2 children will need to click into *My books*)
- We will allocate eBooks according to the reading level they are on

Reading an eBook

- Read the book and click on the bug icons to open the quiz questions
- Your child does not need to finish all quiz questions in one sitting. They can come back to a book later.

We hope you and your child will have great fun reading online.

If you have any problems or queries about using Bug Club at home, please contact your child's class teacher.

Many thanks for your support.

Ms Wintour
