

October 2018

Dear Parent/Carer

We are pleased to inform you that we will be beginning our enrichment opportunities for Year 5 on Monday afternoons. The year group will be split into three classes (allowing for smaller groups) and they will participate in activities such as Art, Food Technology and Music. Each group will do one activity for five weeks and will then move to the next activity and so on.

Your child will be starting with **Cookery on Monday 19th November**. We are looking forward to making delicious items such as mini quiches, pineapple upside-down cake and pasta bakes. We ask for a contribution of **£4 per child** to cover the cost of the ingredients. Your child will need to bring a suitable container to school each Monday to transport their food items home. Unfortunately, if your child does not bring a container, depending on the food item, they may not be able to bring it home.

If your child is allergic to any particular ingredients, please let us know on the form below. If you could please only advise on allergies and not foods they do not like.

We would be grateful if you could please return the form by **Monday 19th November**.

We are sure that your child will gain a lot from the cookery lessons and may even volunteer to cook dinner or pudding at home in the future!

Mrs Webster & Mr Kumar

Cookery Sessions - Year 5

Name: \_\_\_\_\_

Class: \_\_\_\_\_

I have enclosed £4 contribution towards the cost of ingredients for Cookery.

My child does not have any known allergies.

My child is allergic to: \_\_\_\_\_
