Dear Parents/Carers

Year 6 trip to Natural History Museum, Tring - Tuesday 4th December 2018

To complement our Science topics 'Classification of Living Things' and 'Evolution and Inheritance', we are planning to take the children to the Natural History Museum in Tring on Tuesday 4th December 2018

This aims to be a fun day and will provide the children with a fantastic opportunity to explore 'hands-on' galleries, as well as take part in interactive curriculum-linked activities. The total cost of the trip will be £9.00, which includes travel by coach to Tring and entry to a specific workshop: 'Advanced Classification' where they will discover the history of classification, closely examine characteristics and build on classification skills.

We aim to leave school at 9.00am and return by 3.15pm. Children must wear school uniform, but it is advisable that they wear comfortable shoes - trainers will be acceptable.

We will be having lunch at the museum, so children will need to bring a packed lunch and non-fizzy drink. We request that packed lunches are brought in a carrier bag so that all leftover contents and rubbish can be thrown away once the children have finished. If your child is entitled to free school meals or you have prepaid for school dinners, and you would like a packed lunch provided on that day, please indicate below.

In addition, there will be an opportunity to visit the museum shop should they wish to buy souvenirs. (Maximum £5 spending money).

We are hoping that this trip will be an excellent way to enhance and extend the children's knowledge and understanding of Science and we ask that you return the slip below to your child's teacher, no later than Tuesday 27th November. Please note that regrettably we will be unable to take any child for whom the authorisation slip has not been received. If we do not receive enough contributions we may have to consider cancelling the trip.

Yours sincerely

Miss Harris and Miss Guard
