Dear Parent/Carer

Year 6 SATs Evening

We would like to invite you to an evening of information regarding the SATs assessment your child will be taking in May 2019. The evening will be on Wednesday 5th December in the main hall at 6:00 pm and will last around 1 hour.

During the evening, we will deliver information on:

- The nature of the exams your child will be sitting
- The key skills your child will be using
- Details of the mock SATs week: January 2019
- Details of the SATs week: 13th - 16th May 2019
- Revision materials

This should be a useful and informative evening and we look forward to seeing you and your Year 6 child there.

We request that you confirm your attendance on the reply slip below. If you have any particular questions you would like answered on the evening, please write them on the bottom of this letter.

We hope that the evening will give you an understanding of what the assessments entail and how we can work together to help your child achieve their best.
