

18th September 2019

Dear Parents/Carers

I am excited to inform you that we will be once again, entering the Primary Mathematics Challenge, a national competition. The PMC will be a fun, interesting and challenging experience for all involved.

It gives me great pleasure to inform you, that your child has been selected to take part in this competition.

To prepare the children, I will be running a math club on Tuesday lunchtimes from 12:15pm to 12:40pm, where the children will have the opportunity to access a variety of mathematical problems. The club will take place in my classroom - St Peters 6G.

The club will start on Tuesday 1st October, which will give us over a month of preparation before the competition starts.

If you are happy for your child to take part, please fill in the reply slip below.

Kind Regards

Miss Guard
Numeracy Lead
