

13th September 2019

Dear Parent / Carer

Year 6 Transition Day

As part of our on-going transition work with Thomas More Catholic Secondary School, we are planning to take year 6 to visit the school on Wednesday 25th September for the day. This will be the first of a set of day trips involving activities designed to give your child a flavour of secondary school life. The first of these days has been planned in liaison with staff from St Thomas More and should be a great success.

Across these transition days, the children will experience a range of activities: tours of the school; a chance to meet pupils from a range of year groups; opportunities to use resources such as sports facilities, drama studios, science laboratories and music rooms. The children will take part in different curriculum areas, allowing them to receive a broad experience of secondary school life.

The dates of further transition activities will be given in due course. For their visit, children will need a rain coat and a water bottle. We will be walking to St Thomas More after lunch. Children will need to be collected at the gates of St Thomas More at 3.40pm on all transition days.

We are really looking forward to the first of these transition days and know it will be a stimulating and inspiring event.

Yours Sincerely

Mrs Guard and Miss Harris
Year 6 Teachers

Year 6 Transition Day - St Thomas More - 25th September

Name: _____

Class: _____
