

6th January 2020

Dear Parent/Carer

Rollerskating Club: Mondays 3.30pm - 4.30pm

We would like to offer pupils from Years 3 - 6, the opportunity to participate in an after-school Rollerskating club. The club will be led by "Rollback" who are well known in Bedford.

This club will provide opportunities for children to participate in a variety of activities ranging from roller disco to roller hockey. Children can bring their own rollerskates (they must be skates and not blades) although these are provided. The reply slip below asks for shoe sizes.

We intend to run a 10 week block of sessions this term, beginning on Monday 13th January with the final session of the term taking place on Monday 23rd March.

Pupils will meet in the New Hall as soon as school is finished where changing arrangements will be explained. The sessions will last one hour.

The cost of the sessions will be £2.50 per session meaning a cost of £25.00 for the 10 week block. This is being subsidised using the School Sports grant that is allocated by government to all schools in order to promote physical activity for our youngsters.

If you would like your child to participate, please return the reply slip below along with the payment in a clearly labelled envelope to the school office as places are limited. If you would like to discuss payment, please feel free to contact the school and speak with Mrs McGettigan. All discussions will be treated with the utmost sensitivity and confidentiality.

Yours Sincerley

Mrs M McGettigan
Headteacher

Rollerskating - Mondays 3.30pm - 4.30pm - Years 3 - 6

Name: _____ Class: _____

Signed: _____ Date: _____

(Parent/Carer)

The information on the reply slip will ensure that members of staff can monitor the safe collection of the children involved. Medical information from our school database will be issued to staff in paper form to ensure that the children's medical needs are accounted for. Paper copies of the medical information and all reply slips will be destroyed the day after the trip in compliance with new General Data Protection Regulations (GDPR).
