Dear Parent/Carer

Following the announcement in the Houses of Parliament yesterday, we are preparing for our school closure and how this will affect those in our school community. As part of these preparations, we are asking if you could let us know if you, or any other adult in the house, is a key worker and you are intending for your child to continue with school provision.

We are still waiting on more information from the Cabinet Office and/or DfE as to what defines a Key Worker. However, Bedford Borough have given us a working definition of:

'Parents that are on the front line with the fight against the virus e.g. in the NHS, emergency services, social workers, teachers and school workers, care workers and those involved in the delivery of our vital supply chains including those who work in supermarkets and food stores.'

Please could I ask that all responses are made as soon as possible via email (admin@stjohnrigby.org) or to the school office on 01234 401900.

Thank you for your support with this.
