Headteacher: Mrs M McGettigan BEd (Hons)

21st January 2021

Dear Parent/Carer

<u>Resource pack collections</u>

To support remote learning, we have put together resource packs with equipment children may find helpful. Each pack contains a pencil, exercise books, a whiteboard, whiteboard pen and rubber. Depending on the year group or need of the child, there may also be other resources or reading books

Packs for child(ren) who are in 3W, Year 4, Year 5 and Year 6 will be available to collect on **Friday 22nd** January between 1pm and 3pm.

If you have siblings in other year groups, the packs will be grouped together with the youngest year group. Children who are in school this week, will be handed their packs to take home.

Access to the school will be via the KS2 playground gate (along Polhill Avenue). We ask that you collect your pack from the tables on the playground, which will be labelled alphabetically, and leave following the one-way system. It is important that you adhere to social distancing at all times. We remind you that face coverings should also be worn when on the school premises.

If you are unable to collect the pack during the allocated time, there will be an additional slot later in the day between 3.45pm and 6pm. <u>(Please only use this slot if it is absolutely necessary)</u> If you are collecting the pack during this time please come through the main pedestrian gate and someone will be at the front of the school to assist you.

Once school fully reopens, all resources will need to be returned, including exercise book which will be kept by your child's class teacher as a record of pupils' remote learning.

We hope that these resources, which the children are familiar with, will further support during remote lessons.

Yours Sincerely

Mrs Jepps
Assistant Headteacher
