

Interim Headteacher: Mrs M McGettigan BEd Hons

October 2018

Dear Parent/Carer

We need your help! An integral aspect of our PSHCE curriculum is preparing children for their future, which includes looking at what careers they would like to pursue in the future. To complement this aspect of the curriculum, we have arranged a whole school Careers Day on Wednesday 21st November.

There is undoubtedly a wealth of experience amongst our parents/carers. As a result, we would welcome any of you who are free on either the morning and/or afternoon of Wednesday 21st October to come into school to talk about your career. This might include what led you to the job, what subjects you needed to study at school, and most importantly, what you enjoy about your chosen career. We are focussing particularly on breaking down gender stereotypes, so we would welcome any of you who are in careers where your gender is in the minority.

The aim of the day is for the pupils to find out about many different occupations and careers, in addition to being a fantastic opportunity to welcome our community into the school and develop our youngsters' aspirations.

Please indicate if you are available on the morning, afternoon or all day on Wednesday 21st November, to give a short talk about your career.

We look forward to hearing from you.

Yours sincerely
